

SATURDAY CREATIVE DRAMA

Saturdays full of Discovery!

In Creative Drama we develop skills used in theatre! Participants become better communicators, collaborators, and develop skills in imagination, concentration, and social skills while exploring stories, poems, & events.

**Saturdays, Spring 2017
January 28 – February 25**

**Who we are...
And what we do.**

●PLAY●

All children Play. Play is a basic, vital human disposition. Play allows humans to realize their highest aspirations and ideals. Through play, children learn the skills necessary to effectively participate in their world.

●CREATE●

Using techniques from storytelling, music, dance, and theatre, we harness the child's natural ability to play, moving in a progressive manner from Free Play to Guided Play (or Creative Dramatics) to Formal Play (or Theatre).

●GROW●

In Creative Drama we develop our skills used in formal theatre. This includes activities in collaboration, focus, empathy, creativity, etc. We also explore the roles of actors, designers, and creative problem solvers. We value the individual and the community of learners resulting in an open class demonstrating the activities used during the course.

A refund will be given if insufficient enrollment causes class cancellation. No refunds will be offered in the event of a cancellation.
